

Dear Patient,

Our medical team is happy to welcome you to our practice. We are pleased that you have chosen us to care for your medical needs. We are committed to providing you with the highest quality of healthcare.

On your first visit you can expect:

- a physical examination and review of your health history by Dr. Wagner
- a careful evaluation of your medical status
- a discussion of the most satisfactory treatment plan to meet your health needs

Enclosed are our registration forms. Please complete these at your convenience, and bring them with you on your first visit. Also, please be sure to bring your current valid insurance card with you, as well as your parking ticket. We are happy to provide full validation. If you are having a procedure done, please remember you need to have a driver.

Very important: To give you excellent medical care, it is critical that we have an accurate and current record of all drugs and medications you take. Please help us by bringing all your medications with you, in their bottles, to your appointment.

Please arrive 10 minutes early for your appointment; if you are unable to arrive on time, you may be asked to reschedule. If for some reason you cannot make your appointment, we ask that you notify us 24 hours in advance. We look forward to seeing you.

Sincerely,

San Diego Pain Medicine
